

**JS**   
**José Estrada**  
Front-end Developer

# JOSE ESTRADA

FRONTEND DEVELOPER

## PROFILE

I am a Front End developer with experience building websites and web applications. I specialize in JavaScript, and have professional experience working with React.

I always seek to improve my skills to continue growing professionally and thus be able to contribute my skills to the work group in which I am. Therefore I use the modern development workflow with CodeStream in order to increase the productivity and communication of the development team with whom I work.
